Harold L. Ickes, Esq.,
Secretary of U. S. Dept. of the Interior,
Geological Survey,
Washington, D. C.

Dear Sir:

I have had no answer to my letter, carbon copy enclosed. Without wishing to be too persistent I shall be grateful for some reply. If there is a shortage of stenographic help a pencil reply on the carbon sheet will suffice.

Will you tell me what the cost will be for a complete set of the Quadrangle Maps of the Geological Survey. How many maps are now ready? What sections of the U. S. are completely covered?

Your reply will be very much appreciated.

Very truly yours,

Charles Westcott
